“Lupus Clinical Update”

FACULTY:**Michelle Petri, M.D., MPH**

Professor of Medicine, Division of Rheumatology, Department of Medicine, John Hopkins University School of Medicine, Baltimore, MA; Director, Lupus Center, John Hopkins Hospital, Baltimore, MA

6:45 PM – 8:15 PM – Presentation

The presentational method for this activity will be Workshop, Interactive, and Lecture, followed by a Q&A Period. This activity is geared to meet the educational requirements of Rheumatologists. All other physician specialties, physician assistants, and nurse practitioners are invited and welcome to attend. This activity will encompass the following desirable physician attributes: Patient Care, Medical Knowledge, Professionalism, and Practice-Based Learning & Improvement.

LOCATION:

InterContinental Hotel – 5th Floor
888 Howard Street
San Francisco, CA 94103

Desired Outcomes: At the conclusion of this activity, participants will be able to:

1. Translate the latest research outcomes into clinical practice
2. Solve treatment dilemmas and provide for high quality care using evidence based medicine
3. Distinguish patient populations at greatest risk for lupus

This activity has been planned and implemented in accordance with the Institute for Medical Quality and the California Medical Association's CME Accreditation Standards (IMQ/CMA) through the Joint Sponsorship of CME Consultants and Northern California Rheumatology Society. CME Consultants is accredited by IMQ/CMA to provide continuing medical education for physicians. CME Consultants takes responsibility for the content, quality and scientific integrity of this CME activity.

CME Consultants designates this live activity for a maximum of 1.5 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This credit may also be applied to the CMA Certification in Continuing Medical Education.

In accordance with the Americans with Disability Act (ADA), please call the Medical Staff Office at (510) 791-1300 should you require special assistance.
